

## PLATEAU DE COUPE VILLA

### DECK VILLA 107 M

### Deck Villa 107 M

---

Front-mounted deck with multiclip for Stiga Villa.

The deck is front-mounted for better overview and easier accessibility. Multiclip function cuts the grass finely for fertilizing. Suits all types of lawns.

The deck can easily be raised for cleaning.

Cutting width is 107 cm.

Fits Villa from model year 2001.

Side protection roller is available as accessory. Very useful when you drive along walls etc.
